

# Unit 7 Open Response Assessment

## Naming Quadrilaterals

Examine each quadrilateral below.

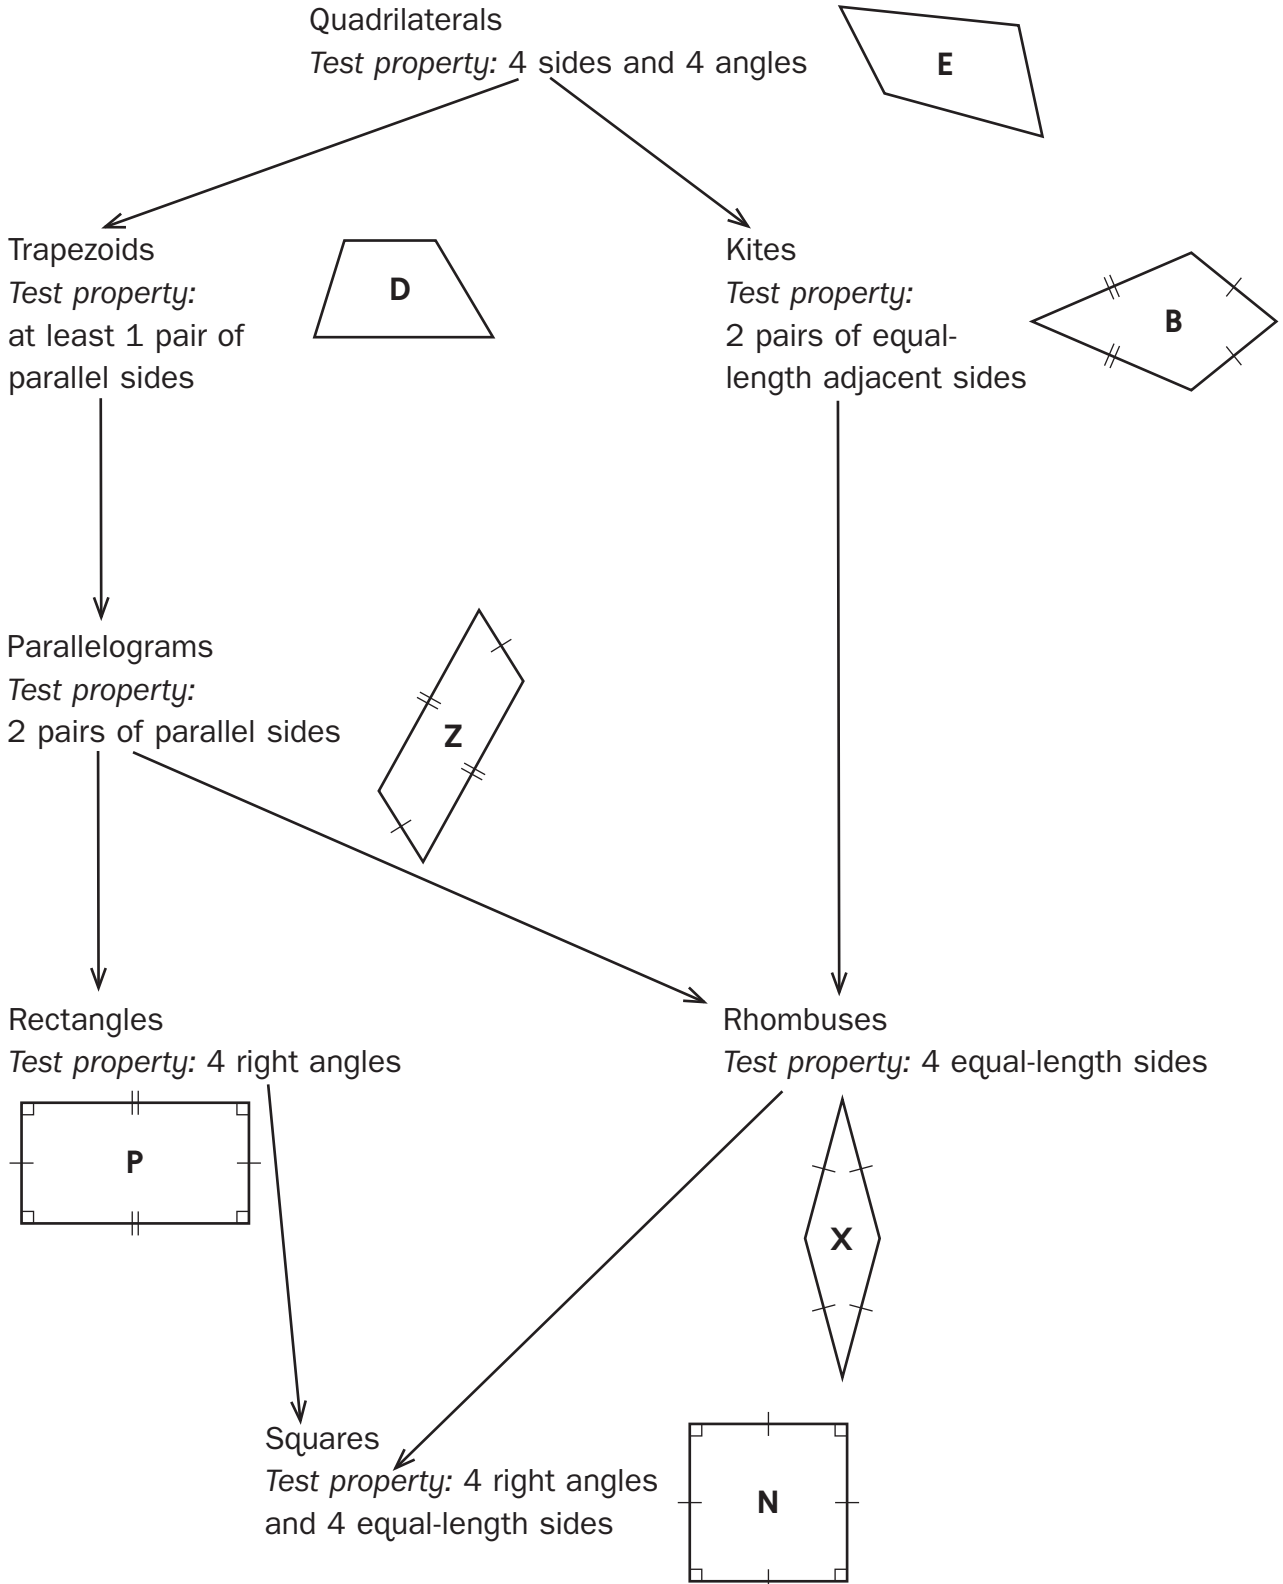

Cut the figures out and paste them where they belong on the Quadrilateral Hierarchy.

## Unit 7 Open Response Assessment (continued)

### Quadrilateral Hierarchy

## Unit 7 Open Response Assessment (continued)

Each of the figures you pasted on the quadrilateral hierarchy has between two and seven names. Choose three *different* quadrilaterals to solve the problems below.

- ①
  - a. Write the letter of a figure that has at least five names. \_\_\_\_\_
  - b. Write at least five names for the figure:
  
  
  
  
  
  
  
  
  
  
- ②
  - a. Write the letter of a figure that has at least three names. \_\_\_\_\_
  - b. Write at least three names for the figure:
  
  
  
  
  
  
  
  
  
  
- ③
  - a. Write the letter of a figure that has at least two names. \_\_\_\_\_
  - b. Write at least two names for the figure:
  
  
  
  
  
  
  
  
  
  
- ④ Write a short note to a new student who might come into your class.  
Explain how to use the hierarchy to find multiple names for any figure.
