# INVESTIGATION 3 I-CHECK

## INSECTS AND PLANTS

Name \_\_\_\_\_

This is a student's calendar of plant-growing observations. Read the calendar and answer the questions below.

### March

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
	1 I planted seeds in cups.	2	3 I see lots of sprouts.	4 I added more water.	5	6
7 There are 6 plants. There are 5 leaves on each plant.	8	9 The plants are as tall as my little finger.	10	11	12	13

4. What happened on March 1?

\_\_\_\_\_

5. When did the class see the first sprouts? \_\_\_\_\_

6. Draw a picture in the box of the sprouts on Monday, March 7.

cup that seeds are growing in
