**Dear
Parents
and
Students:**

This **BUDGET ENVELOPE** is designed to help you plan your holiday shopping at **SANTA'S WORKSHOP!**

On the other side, please list the **FAMILY** members and special **FRIENDS (no more than 10 please)** you would like to shop for; then decide what your budget is for each gift. Due to the limited inventory of gifts, we ask that students not shop for themselves. The volunteers will help each child shop within his or her budget.

GIFTS range from pocket change to \$10.00, but most gifts cost under \$4.00.

Finally, add up the total for all gifts, and enclose that amount in **CASH** or **CHECK** made out to **HORACE MANN PTA**. If your child does not spend the entire amount, the change will be returned to you in this envelope.

Thanks for giving your child the **GIFT OF GIVING!**
